"FOR I DIPPED INTO THE FUTURE . .

FOREWORD

In 1933 and 1934, prompted by the Chicago Fair, the world looked back upon "A Century of Progress." Now, in 1939, its eyes are forward turned toward "The World of Tomorrow."

It is fitting for a college yearbook to take this, the theme of the New York 1939 World's Fair, for its own; because, after all, we, the college students of Today, will be the planners and builders of that World of Tomorrow, and its first citizens.

DEDICATION

And, with the same thought in mind, it is also fitting that this, the 1939 CORONET, *should be gratefully inscribed to those men and women who, with the foresight of the wise, have dedicated time and money to Queens-Chicora College and to its students, in order that the Youth of Today may be better citizens in the World of Tomorrow.*

THE ADMINISTRATION BUILDING

The Administration of Queens-Chicora College is dedicated to the task of raising the standards of the school intellectually, spiritually, and socially. Through constant study, the faculty equip themselves to educate the Youth of Today for the World of Tomorrow.

ADMINISTRATION

DR. WILLIAM HENRY FRAZER

A.B., B.D., D.D., Litt.D., LL.D.

President

For seventeen profitable years Dr. Frazer has been President of Queens-Chicora College. Ever endeavoring for the betterment of the college and those who were a part of it, he has led the way steadily uphill toward the peak of perfection; putting into his every step devotion and hard work. He has succeeded in making Queens-Chicora a great institution, and building upon the foundation he has laid, we can strive toward ever greater achievements.

While we deeply regret that we must lose him, we feel that not a sad song, but one of triumph should be sung for his influence on our campus. Our sincere love and appreciation, and the promise of a future reward are embodied in these words from Matthew 25:21—

"Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things."

QUEENS-CHICORA EXECUTIVES

DR. SAMUEL C. BYRD
A.B., A.M., D.D., LL.D.
President-Emeritus

Since the merger of Queens College with Chicora College in 1930, Dr. Byrd has been President-Emeritus and Registrar of Queens-Chicora College. A true servant of God and a faithful supporter and promoter of all that is beautiful and good, Dr. Byrd is a beloved member of our college family. The pattern of our college life would not be complete without him.

MRS. VIRGINIA MILLER AGNEW
A.B., A.M.
Dean of Women

Never too busy to hear some girl's problem or to help plan some bit of happiness for the students, Mrs. Agnew has a definite place in the hearts of Queens-Chicora girls. Through her efforts, college social life is made more attractive.

DR. JAMES M. GODARD
A.B., A.M., Ph.D. pending
Dean of Instruction

Dr. Godard joined us in 1936, and since that time has done much to adapt and enrich our curricula for our needs. Able to see the student point of view and at the same time offer constructive advice, Dr. Godard is an efficient and likable personality on our campus.

THE NEW YORK STATE BUILDING AMPHITHEATRE

A school is something more than its buildings, its faculty, and its organizations. A school is composed mainly of its students. At Queens-Chicora, the Student Body is large enough for each individual to have her personal friendships and loyalties, and yet small enough for each one to find her own place.

THE SPECTATOR CLUB

The Spectator Club is the literary organization of the campus. Every member of the student body may join one of the three groups which meet twice a month. The Book Tea Group buys many outstanding books which are read by the members and discussed at the meetings. The Creative Writing Group is interested in lending constructive criticism and encouragement to those who like to write. The Dramatic Club reads plays and during the year stages at least one production for public performance.

IOTA XI

Iota Xi is the honorary society in journalism, functioning as an advisory body for student publications. It recognizes with membership either those girls who have shown outstanding ability in the directing of a campus publication, or those who have had an unusual interest shown by competent work over a long period of time. Iota Xi was established on the campus in 1928.

VOLLEYBALL

At Queens-Chicora there are many favorite sports—tennis, badminton, swimming and archery, but the two sports which cause the most excitement and create the most class spirit are basketball and volleyball.

The volleyball tournament was played in the fall with the Sophomores defeating the Juniors in the finals to become winners of the cup. In the semi-finals the Sophomores defeated the Seniors and the Juniors won over the Freshmen.

Flora MacDonald of Dillon, S. C., was captain of the Freshman team. On this team were Sara Alice Taylor, Jane Montgomery, Mary Katherine Martin, Mary Alice Feaster, Elizabeth Oswalt, and Ann Mauldin.

On the Sophomore team were Helen Rhyne, Jennie Lynn Wright, Victoria Troutman, Dorothy Longenecker, Lillian Sample, Frances Kerr, Lib Taylor and Mildred Taylor, captain.

The Juniors were led by Martha Stoner and the rest of the team was made up of Anne Fuller, Elizabeth Green, Analaine Chears, Lucile Gwaltney, Woodrow Summers, Alice Longenecker, Irene McCall, and Betsy Springer.

The Senior team was as follows: Norma Moore, captain, Beatrice Kiser, Kate Brown, Katherine K. Martin, Mildred Lowrance, Cree Roberts, Jean and Marguerite Craven.

BASKETBALL

The Interclass basketball tournament was played February 28 and March 3. This tournament proved to be a very colorful one with each class wearing colors and led by a husky, lusty cheerleader. These games were very exciting and showed that Queens-Chicora had some excellent players.

Much comment and furror was made when the Juniors and the Freshmen tied the score in their first game. At the playover, however the Freshmen were the victors. The Seniors beat the Sophomores and after this game everyone was running around saying that Norma Moore could throw a basket blindfolded and about a million miles away. The final victory belonged to the Freshmen when they defeated the Seniors, proving that they were really fast and capable.

Nancy Walker was cheerleader of the Freshman class and Jane Montgomery was captain of the team. The rest of the members of the team were Inez Malone, Flora MacDonald, Margaret Alexander, Anne Peyton, Louise Collins, Sarah Taylor, Mary Katherine Martin, and Cora Wayland.

Mildred Taylor, captain of the Sophomore volleyball team, was also captain of this basketball team. Olivia Gillespie, Dot Longenecker, Helen Rhyne, Elizabeth Brammer, Virginia Garrison, Jennie Lynn Wright, Lillian Sample, and Frances Kerr. Sarah Thompson was the cheerleader.

The Junior class team was composed of Martha Stoner, captain, Anne Fuller, Irene McCall, Elizabeth Green, Lucille Gwaltney, Alice Longenecker, Betsy Springer, Elaine Suber, and Henrietta McIver. The cheerleader was Frances Stough.

The captain of the Senior basketball team was Ann McCree Roberts. The players were Jean Craven, Norma Moore, Mildred Lowrance, Marguerite Craven, Helen Cumnock, Kate Brown, Katherine K. Martin. Frances Reins was cheerleader.

THE HALL OF PRODUCTION

Six national sororities play a very important part in the social life of the college. The small sorority houses on the back campus are often gay with lights and laughter; and through their close comradery, lasting friendships are formed.

SORORITIES

DUNCAN

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council at Queens-Chicora is composed of the six presidents of the six national social sorority chapters on the campus and an elected representative from each sorority.

The duties of the organization include the legislating and enforcing of laws relating to interfraternity matters. The council is especially active during the first month of school, when it supervises the rushing season.

A new day is dawning for this institution. The stride which it has made during the past decade is but a promise of what it will do during the next decade.

It is in existence for the purpose of giving thorough instruction, saturated with Christian ideals and surrounded by Christian influence, resulting in Christian character—the greatest need of modern times.

Queens-Chicora College is strategically located on the main line of the Southern Railway from Washington to New Orleans, and the far west. Many outstanding men and women visit Charlotte every year. They are either brought to Queens-Chicora's Chapel, or the students have the privilege of hearing them in the city.

COMING here at the close of so many hours of planning and work by the staff . . . any message we might add in this, our own advertisement, would savor a bit of self praise.

Yet, unseen in this example of fine book making is the day by day co-operation of our personnel, whose experience and training in the production of annuals has bridged many a pitfall for the staff.

If, as you peruse the pages of the CORONET and are impressed with their excellence, you too, would like to avail yourself of our services whether annuals or commercial printing we'd deem it a favor if you would ask us to call.

A FINAL WORD

Well, girls, this is the end! Thank Goodness!! Here you have the completed book: the pictures of as many of you as we could back into having your pictures taken; snapshots of everybody and everything that the snapshot editors could find (and we had four of them on the job); all of your organizations; the beauties; May Day; and even some ads! Mental note for you: if I have left anything out, why don't you suggest it to Gin for next year.

But before you close the book, Ruth and I want to tell you what a good time we have had doing this for you this year. It has been lots of fun. We have had to work; but our staffs have been so good about helping that we hardly minded even that. And there have been other people who have helped to make this the most painless annual we ever saw, too; Ruth and I would like to thank them, along with our staffs, for their assistance. There is BRADSHAW CRANDELL, who picked the Beauties; and MRS. ST. JOHN, who took their pictures (besides taking the pictures of all the rest of us "not-so-pretties"), and HARRY and JOE HUNTINGTON up there at the Studio. And then we would like to thank JANE STAINBACK, and BUCK, and every one at the Engravers who helped; and HARRIE KECK, down at the Observer Printing House. Thanks, too, to DR. STOUT, always so ready to advise on any matter; and to all of the others that I could not even begin to mention, including our advertisers.

And now it is time to say, THE END. And we hope that you like this, your 1939 CORONET.

RUTH AND SUE.
